

CLARKE NATIONAL

REALTY

- EST. 1953 -

17 Wilberforce Road REVESBY, NSW

SOLD BY JAMES CLARKE & LUCY CLARKE

Potential is a word that best describes this fibro home. With many external features that include corner block location, situated on the high side of the street and being clear of any easements, the location is a huge factor with this home being within only a few minutes walk to Revesby CBD and train station.

Built in 1953 (approx) this is the first time this home has been put to market and is a rare opportunity for any home buyer, investor or first home buyer that is looking to invest into this fast growing suburb of Revesby. Internal attributes include;

- 4 generous size bedrooms
- Spacious living room with reverse cycle air conditioning
- Original timber flooring
- Original eat-in kitchen
- Partially tiled bathroom
- Decent size backyard (480sqm in total land size) with access to the single lock up gar
